

## MyWave Connect and HR Hotline

Employee Benefit Resources for Schools, Cities, and Counties

With the rising cost of healthcare, employers are more determined than ever to find innovative approaches to manage health insurance benefit costs. One of the options gaining popularity is self-funding, also known as self-insuring.

### MyWave Connect: Your One-Stop Online Resource

#### Resources you need at your fingertips

With thousands of easily searchable materials, MyWave Connect is your one-stop resource on topics including compliance, health care reform, wellness, HR, policies and forms, employee newsletters, and much more.

#### Forms and flyers

Can't find the form you need? Instead of endlessly searching the federal or state websites, just go to MyWave Connect and easily download all of the federal and state forms you need.

Download flyers, posters or newsletters on just about any employee/employer topic to keep your staff informed.

#### The latest legislative changes and hot topics

Get the latest resources related to education or government sectors. You can even tailor results to state and preferences.

#### Access resources on the go with mobile

Whether in a meeting, at your desk, or on the go, access all the resources you need using your tablet or mobile device.

National Insurance Services (NIS) customers can receive a complimentary all-access, 24/7 pass to MyWave Connect.
