Online Evidence of Insurability (EOI)
What Is Needed to Complete the Form

When using the online Evidence of Insurability (EOI) form, it is important to gather everything you will need to complete it since you can not save and return to it later.

Information Needed:

- ☑ List of your[1] current doctor(s) and their contact information (addresses, phone numbers, etc.)

- ☑ Date(s) of your[1] most recent medical appointment(s)

- ☑ List of medication(s) you[1] are taking

- ☑ List of any condition(s) you[1] have been treated for in the past 5 years, including the treating doctors, the dates of your[1] most recent appointment(s), and their contact information (addresses, phone numbers, etc.)

[1]*If applicable, gather any spouse/dependant information as well.*
