How the Active Assailant Benefit Works

The Active Assailant Benefit will pay your school district a specified amount if a malicious physical attack with a weapon occurs on school premises during school hours or at a school-sponsored event. Benefits are payable for one event per 12 month period.

What Can the Benefit Be Used For?

The benefit can be used for whatever your district needs at that time – building security enhancements, additional school resources, counseling services, etc. There are no restrictions.
